

Guia Basica de como usar git hub.

1. Ir a <https://github.com/>
2. Elegir Nickname e ingresar correo

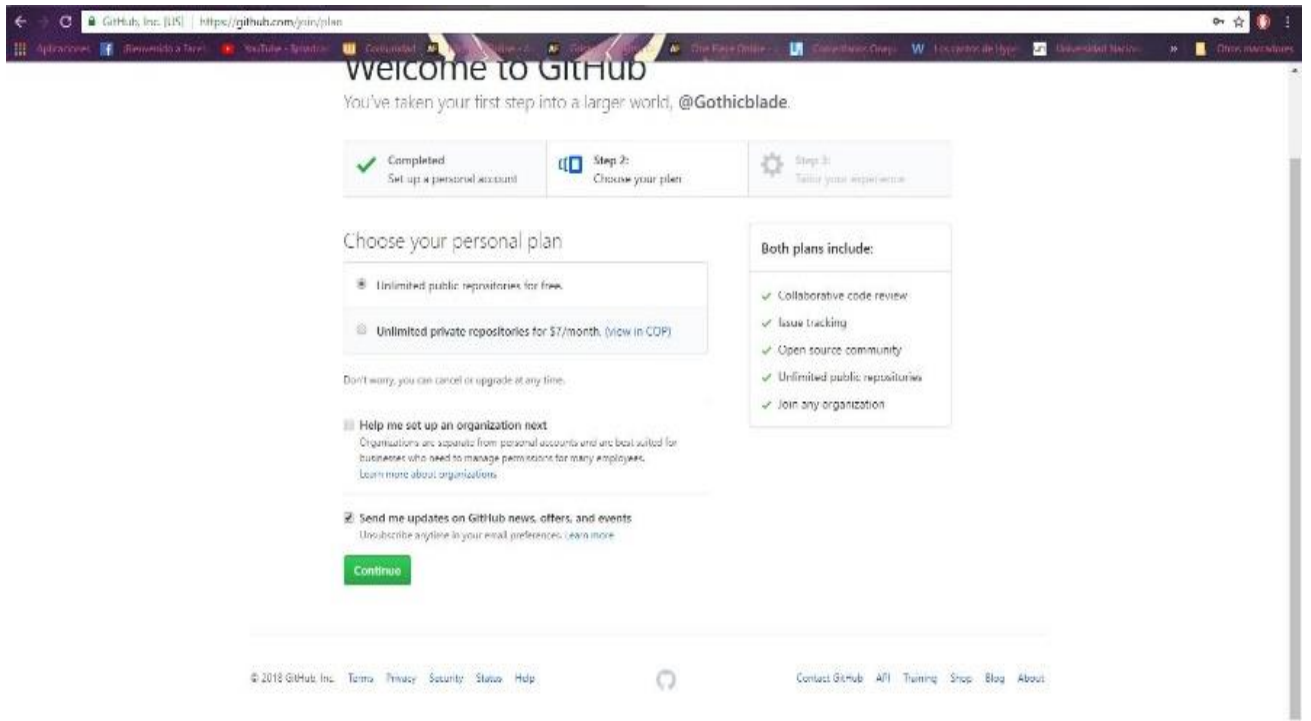

A screenshot of the GitHub sign-up page. The page has a dark background with a light gray sign-up form in the center. The form contains three input fields: 'Username' with the placeholder text 'Pick a username', 'Email' with the placeholder text 'you@example.com', and 'Password' with the placeholder text 'Create a password'. Below the password field, there is a note: 'Use at least one letter, one numeral, and seven characters.' A green button labeled 'Sign up for GitHub' is positioned below the form. At the bottom of the form, there is a line of text: 'By clicking "Sign up for GitHub", you agree to our [terms of service](#) and [privacy statement](#). We'll occasionally send you account related emails.'

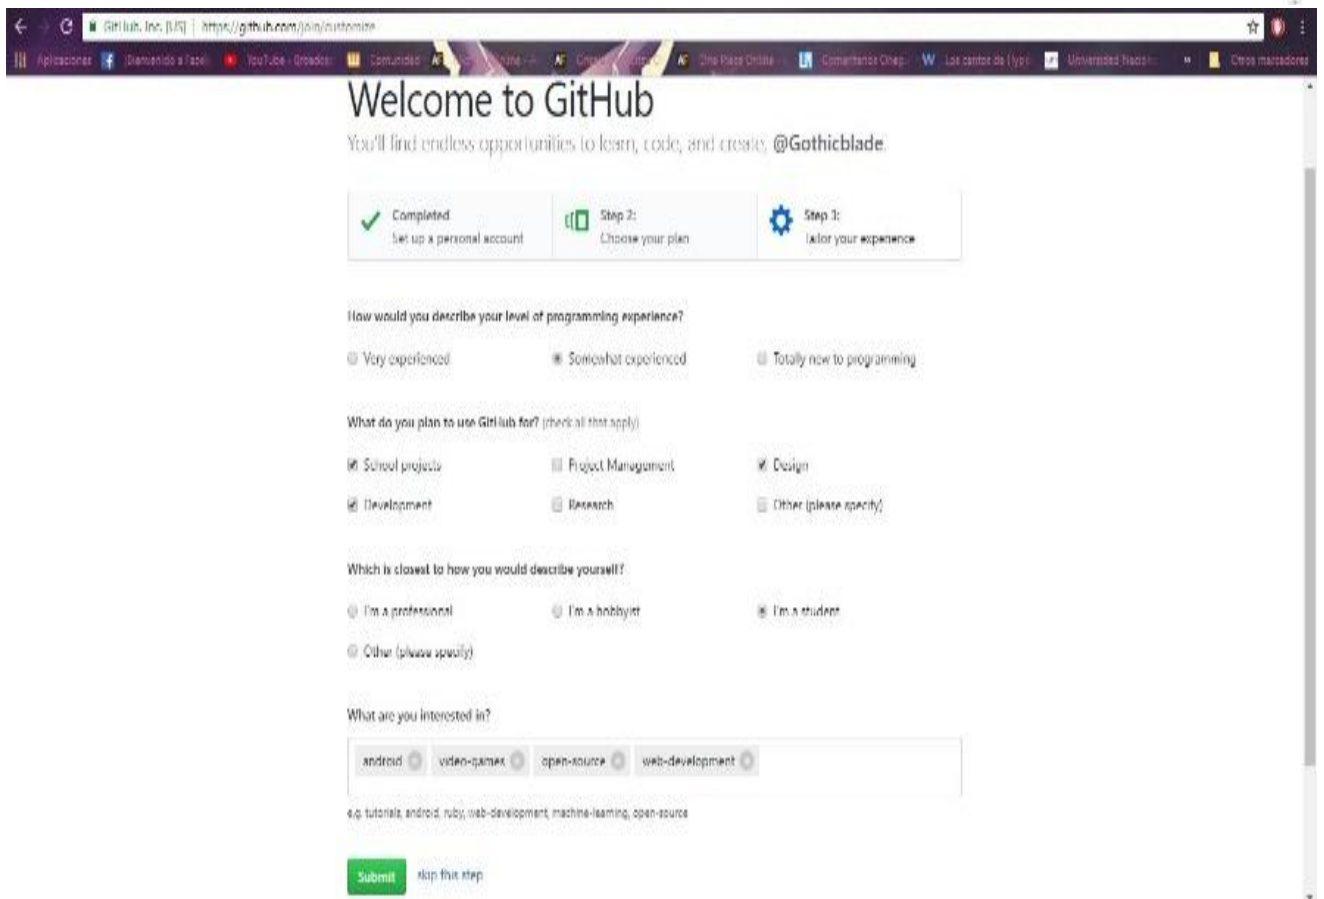

A screenshot of the GitHub homepage. The page features a dark background with a light gray sign-up form on the right side. The form is identical to the one in the previous screenshot, but the 'Username' field now contains 'Gothicblade' and the 'Email' field contains 'julian.gomezj@campususs.edu.co', both with green checkmarks indicating they are valid. The 'Password' field is empty. The green 'Sign up for GitHub' button is still present. On the left side of the page, there is a large heading 'Built for developers' and a paragraph of text: 'GitHub is a development platform inspired by the way you work. From **open source** to **business**, you can host and review code, manage projects, and build software alongside millions of other developers.' The top of the page shows a navigation bar with links to 'Features', 'Business', 'Explore', 'Marketplace', and 'Pricing', along with a search bar and 'Sign in' / 'Sign up' links.

3. Aceptamos términos seleccionando la opción gratis ya que nuestros proyectos serán open-source.

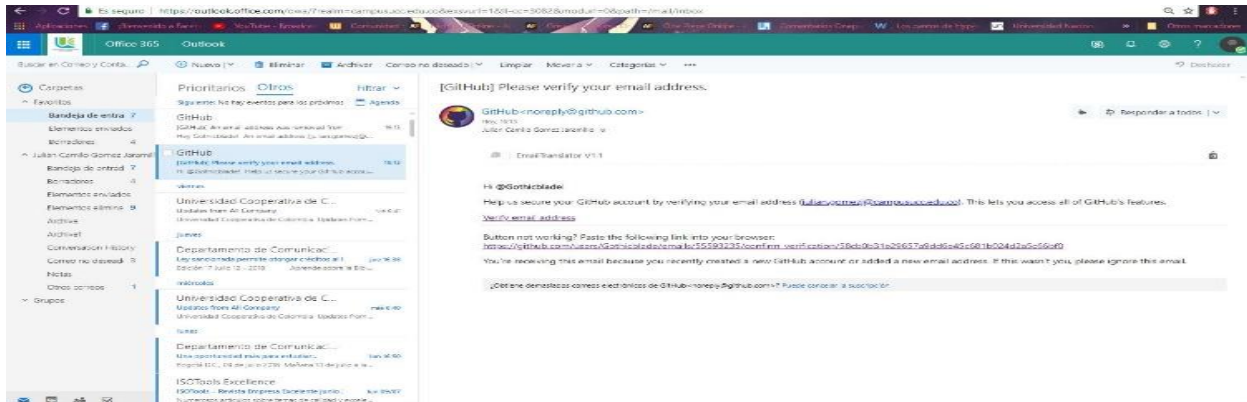

The screenshot shows the GitHub 'Welcome to GitHub' page for user @Gothicblade. The page is at the URL <https://github.com/join/plan>. It features a progress bar with three steps: 'Completed: Set up a personal account', 'Step 2: Choose your plan', and 'Step 3: Tailor your experience'. Under 'Choose your personal plan', there are two radio button options: 'Unlimited public repositories for free' (selected) and 'Unlimited private repositories for \$7/month (view in COP)'. A note states 'Don't worry, you can cancel or upgrade at any time.' Below this is a link 'Help me set up an organization next' with a description of organizations. At the bottom, there is a checked checkbox for 'Send me updates on GitHub news, offers, and events' and a green 'Continue' button. The footer includes copyright information for 2018 GitHub, Inc. and links for Terms, Privacy, Security, Status, Help, Contact GitHub, API, Training, Shop, Blog, and About.

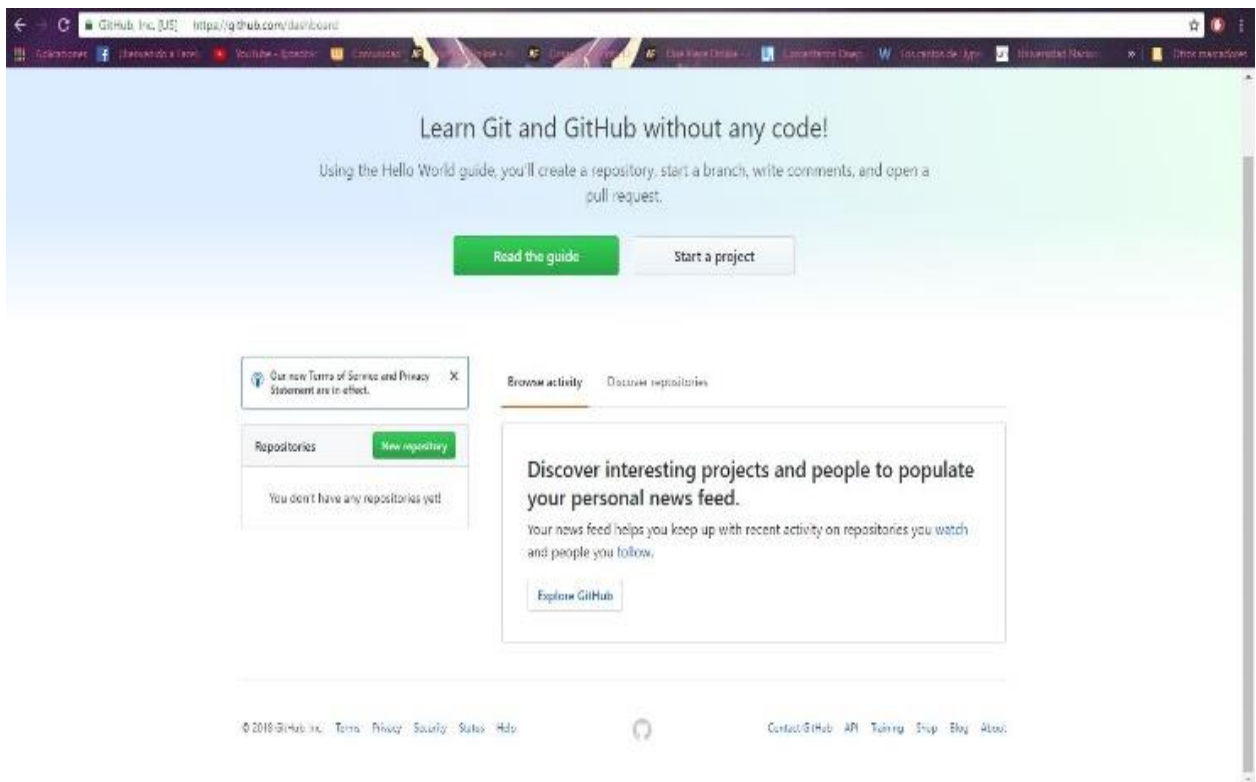

The screenshot shows the GitHub 'Welcome to GitHub' page for user @Gothicblade, at the URL <https://github.com/join/customize>. The progress bar shows 'Completed: Set up a personal account', 'Step 2: Choose your plan', and 'Step 3: Tailor your experience' (active). The section 'How would you describe your level of programming experience?' has three radio button options: 'Very experienced', 'Somewhat experienced' (selected), and 'Totally new to programming'. The section 'What do you plan to use GitHub for? (check all that apply)' has six checkboxes: 'School projects', 'Project Management', 'Design', 'Development' (checked), 'Research', and 'Other (please specify)'. The section 'Which is closest to how you would describe yourself?' has three radio button options: 'I'm a professional', 'I'm a hobbyist', and 'I'm a student' (selected). The section 'What are you interested in?' has a text input field with tags: 'android', 'video-games', 'open-source', and 'web-development'. Below the input field, it says 'e.g. tutorials, android, ruby, web-development, machine-learning, open-source'. At the bottom, there is a green 'Submit' button and a link 'Skip this step'.

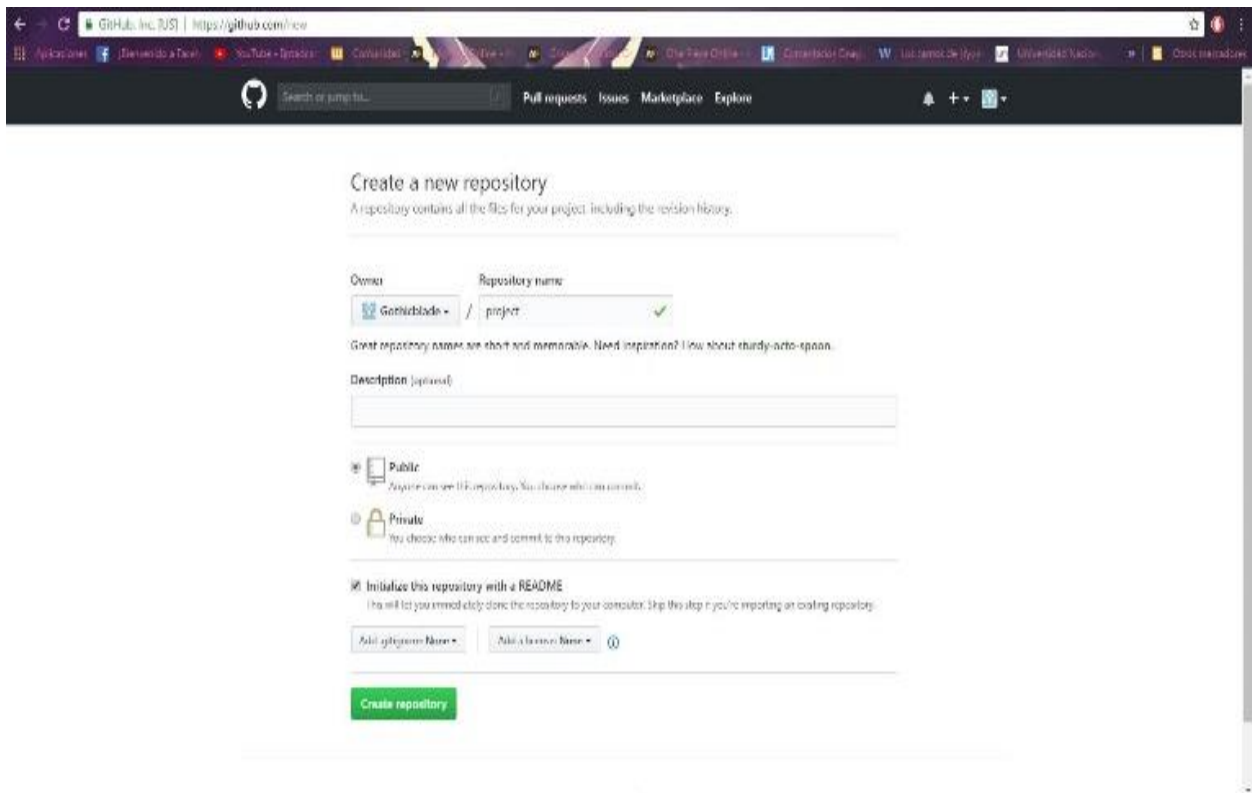

4. Nos envían un mensaje de confirmación de nuestros correos, lo aceptamos y listo, ya tenemos nuestra cuenta Git.

5. Podemos empezar un nuevo proyecto o leer la guía que nos da git hub, en nuestro caso le daremos a empezar un nuevo proyecto

6. Le ponemos nombre a nuestro proyecto y lo hacemos público, ya que privado nos toca pagar una suscripción.

Create a new repository

A repository contains all the files for your project, including the revision history.

Owner: Gonibblada / Repository name: project

Great repository names are short and memorable. Need inspiration? View about sturdy-otto-eggsan.

Description (optional)

☒ Public
Anyone can see this repository. You choose who can commit.

☐ Private
You choose who can see and commit to this repository.

☒ Initialize this repository with a README
This will let you immediately clone the repository to your computer. Skip this step if you're importing an existing repository.

Add a gitignore file • Add a license file •

Create repository

Description (optional)

basic project just powerpoint test

- ☒  **Public**
Anyone can see this repository. You choose who can commit.
- ☐  **Private**
You choose who can see and commit to this repository.

7. Ya tenemos nuestro Project y es momento de subir nuestros archivos

The screenshot shows the GitHub interface for a repository named 'Gothicblade / project'. The repository has 2 commits, 1 branch, 0 releases, and 1 contributor. The 'Upload files' button is circled in blue. Below the repository information, there is a large area with icons and the text 'Drag additional files here to add them to your repository' and 'Or choose your files'. A file named 'Administracion de la calidad de software (1).pptx' is shown in a yellow box. Below this, the 'Commit changes' section is visible, with the 'Commit changes' button circled in blue.

10. en la versión de escritorio podemos clonar directamente el proyecto ya que ingresamos a nuestra cuenta

11.nos vamos a History y ahí podemos ver el archivo en los documentos locales.

12. así ya podemos ver nuestros archivos localmente pero los otros usuarios sus contribuciones, nuestros supositorios y demás hasta incluso editar nuestros supositorios lo podemos hacer desde nuestro perfil en la página de GitHub.

The screenshot shows the GitHub profile page for a user named 'Gothicblade'. The profile is located on the left side of the page, featuring a blue and white pixelated avatar, the username 'Gothicblade', and buttons for 'Add a bio' and 'Edit profile'. Below the profile information, it states 'Joined 23 hours ago'. The main content area on the right is titled 'Overview' and includes tabs for 'Repositories' (1), 'Stars' (0), 'Followers' (0), and 'Following' (0). Under the 'Popular repositories' section, there is a single repository listed: 'project' with the description 'basic project just powerpoint test'. Below this, a '5 contributions in the last year' section displays a grid of contribution activity. The grid shows contributions for the months of July through June, with a legend indicating 'Less' (light green) and 'More' (dark green) contributions. A 'Contribution settings' dropdown is visible. At the bottom, the 'Contribution activity' section shows a timeline of activity for July 2018, including a commit in the 'Gothicblade/project' repository.
